

Typhoon Ketsana, Philippines Appeal

On Saturday 26th September Typhoon Ketsana brought the equivalent of one month's rain in just 12 hours, fuelling the worst flooding in the country in more than 40 years.

The flooding has so far claimed the lives of over 240 people and affected the homes of around two million people. Many are seeking refuge in relief centres across the country.

Disease and sanitation are now major concerns for the Philippines as the putrid flood water recedes. It is feared that infections including swine flu, diarrhoea and the bacterial disease leptospirosis could take hold.

To address the immediate need for food, medicine, sanitation and clothing UnitingWorld, through our partner The United Church of Christ in the Philippines, has launched an emergency appeal. We are aiming to raise \$30,000 to provide some immediate relief as well as to contribute to the rebuilding effort.

Yes, I'd like to help provide emergency relief for flood affected communities in the Philippines.
