

Experience Placement Position Description

Category Education

Country China

Placement Teachers - oral English, Primary and Secondary.

Length of Placement 6-12 months

Reference Number 009

You can have a bigger impact than you realise! UnitingWorld works with local partners to achieve real and lasting impacts. As part of the local community, you will be using your teaching qualifications to teach assigned classes and develop appropriate extra curricular opportunities for engaging with local students and their communities. This is a fantastic opportunity to make a difference to the lives of many young people as well as be thoroughly fascinated by this amazing culture.
