

Experience Placement Position Description

Category Community development

Country Kiribati

Placement Creative arts - women and children project

Length of Placement 6 - 12 months

Reference Number 025

Kiribati is a rich culture with many traditional crafts that are created by women and children. This placement offers support to local people to continue to work traditional crafts and to explore ways of building small microenterprise opportunities for women and also opportunities for the passing on to children of the skills associated with traditional crafts.
