

Experience Placement Position Description

Category Education

Country Kiribati

Placement Teacher's assistants

Length of Placement 3 - 12 months

Reference Number 028

Love kids? Want to make a difference? Want to experience life on a tropical island? Kiribati has a need for teacher's assistants who can work alongside the teacher in the classroom. You will do day to day activities in the classroom and support the class teacher as required. No formal qualifications are required - just a heart for kids and a desire to do something quite special. Be prepared to have your heart stolen and life changed forever by these beautiful children! For further information or to express and interest in these positions, contact Kathy at UnitingWorld.
