

Experience Placement Position Description

Category Education

Country Solomon Islands

Placement Teachers (Secondary)

Length of Placement 6-12 months

Reference Number 064

You can have a bigger impact than you realise! UnitingWorld Experience works with local church partners to achieve real and lasting impacts. As part of the Solomon Islands church community, you will be using your teaching qualifications to teach assigned classes and develop appropriate extra curricular opportunities for engaging with local students and their communities. This is a fantastic opportunity to demonstrate the solidarity of the UCA for our church partners in the Solomon Islands.
