

Experience Placement Position Description

Category Community Development/office work

Country Tonga

Placement Secretary/office administration for social welfare programs

Length of Placement 12 months

Reference Number 084

Do you have gifts in administration and organization? If so, the work of the Crisis ministry for the Free Wesleyan Church in Tonga could use you on their team. You would help organizing the administration office for this fledgling department, setting up good office practices. You would also support the work of the Crisis Ministry Director and have first hand experience of how God's love is tangibly demonstrated through the Deportee ministry, the ministry to single mothers and the ministry to disenfranchised young people. What an amazing opportunity to use your skills to meet critical needs.
