Sia'atoutai Theological College is very much in need of a Librarian to assist in the capacity-building of local people as well as the refurbishment of the current Library facilities in preparation for being able to offer a postgraduate course of study. If you love library work and would like to share your skills and knowledge with others as well as assist in developing good Library processes, please contact Kathy at UnitingWorld for further details. This is a wonderful opportunity to do yourself out of a job by sharing your knowledge and skills in training others!
