Love working with those in society who are often overlooked? Want a challenge? Have some background or experience in welfare, education or social work or other related field? The Deporte/Crisis ministry of the Free Wesleyan Church in Tonga is wanting to develop a programme to minister to youth who are at risk of dropping out of school. If you are interested in making a huge difference to the lives of young people, contact Kathy at UnitingWorld for further details. This position would suit any age volunteer.
