

Experience Placement Position Description

Category Education

Country Tonga - all islands

Placement teachers - Primary and Secondary

Length of Placement 12 months

Reference Number 093 and 094

This is a fantastic opportunity to have an impact on the next generation of students in Tonga! You can make a huge difference while you teach in your particular area of expertise, as well as assisting Tongan teachers with professional development. There are lots of opportunities for connecting with local communities in this life-changing placement. Why not call Kathy at UnitingWorld now for further information?
